Our Governing Board in Action

During the month of August the Menifee Union School District Governing Board took the following actions: approved the Memorandum of Understanding with GovDeals, Inc. to provide a resource for the District to sell obsolete / surplus items via an online auction system, so that the District can recover maximum value for such items, and will incur no charges for this service as fees are paid by buyers; ratified the Riverside County Superintendent of Schools Memorandum of Understanding and Agreement for Participation in the California Classified to Classroom Pipeline to Teaching Grant Program for a period of five years; approved the practice of an automated phone call to parents whenever there is a Special Board Meeting taking place, and the call will state what the subject of the meeting will be; approved the posting of the Board Agenda to the Menifee Union School District Face Book and Twitter Page.
