Character Day

- Annual Global Day – Sept. 26th, 2018
- Fifth Annual
- Over 200,000 groups (all 50 States/Global)
 - **15,000 schools**
 - **over 4 million people**

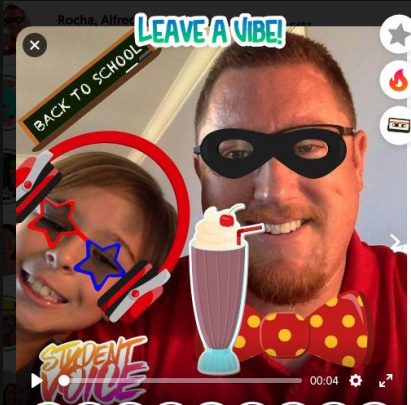

A Polaroid photograph is placed on a wooden surface. In the background, a portion of a microscope is visible. The Polaroid has a dark blue rectangular area in the center containing the text 'The Science of Character' in a white, serif font. Below this, on the white border of the Polaroid, the text 'A CLOUD FILM' is written in a black, handwritten-style font.

The Science of Character

A CLOUD FILM
