Our Governing Board in Action

During the month of November the Menifee Union School District Governing Board took the following actions: the Board listened to MTA President, Ms. Brenda Myers as she presented a report from the Menifee Teacher's Association; heard a report from the Menifee Council of Classified Employee's President, Mr. Albert Lopez; heard comments from MUSD staff; ratified the Memorandum of Understanding with WestEd to administer the California Healthy Kids Survey (CHKS) for the District.

Presentations

As there were no presentations given at the November Governing Board meeting, please receive this Holiday Greeting from the Superintendent.

Holiday Greetings from the Menifee Union School District! We in Menifee have much to be thankful for, not the least of which is the opportunity to work with our amazing kids who will positively impact our country's future. Appreciating the talents of our dedicated teaching, classified, and administrative work force, we continue to successfully navigate the nuances of education today. All Menifee schools address the day to day needs of every child and we continue to grow in our understanding that our primary responsibility is to prepare students for careers, many of which are not in existence today.

Let us not forget to appreciate the successes of our past school year, while we enjoy our time with our family and friends. We look forward to ongoing growth in the New Year while expanding our relationships with parents, community and our Partners in Education. I am thrilled to be able to provide you with updated information on new schools that will soon be built thanks to your support of Measure Q.

I wish you all a blessed Holiday Season and look forward to seeing you in the coming year!

Sincerely,
Steve Kennedy, Ed.D., Superintendent
